BOX MISSING PARTS

Assistant Commissioner for Patents  
Washington, D.C. 20231

**RESPONSE TO NOTICE TO FILE MISSING PARTS  
OF NONPROVISIONAL APPLICATION**

Dear Sir:

In response to the Notice to File Missing Parts mailed October 26, 2001 and having a two-month period for response ending December 26, 2001, Applicants submit the following. As a preliminary matter, Applicants' representative is not of record and therefore respectfully submits the enclosed Associate Power of Attorney.

The Notice states that the oath or declaration is missing and a properly executed oath or declaration must be submitted with the requisite fee. Applicants respectfully submit a true copy of an executed Declaration and Power of Attorney from parent U.S. Patent Application No. 09/302,863, as permitted under 37 CFR §1.63(d)(1).

37 CFR §1.63(d)(1) states:

A newly executed oath or declaration is not required under §1.51(b)(2) and §1.53(f) in a continuation or divisional application, provided that:

- (i) The prior application contained an oath or declaration as prescribed by paragraphs (a) through (c) of this section;

- (ii) The continuation or divisional application was filed by all or by fewer than all of the inventors named in the prior application;
- (iii) The specification and drawings filed in the continuation or divisional application contain no matter that would have been new matter in the prior application; and
- (iv) A copy of the executed oath or declaration filed in the prior application, showing the signature or an indication thereon that it was signed, is submitted for the continuation or divisional application.

The present application is a continuation of U.S. Patent Application No. 09/302,863, as evidenced by enclosed copy of the original Utility Patent Application Transmittal. Applicants note that the present application has the same inventors as the parent application and that no new matter has been added, thereby satisfying elements (i)-(iii) §1.63(d)(1). And finally, Applicants submit for filing a true copy of the original Declaration and Power of Attorney from parent application no. 09/302,863.

The Notice also requests a set of substitute drawings that comply with 37 CFR 1.84. Applicants are in the process of having proper drawings prepared and will file them within three months of the Notice of Allowability, as permitted under 37 CFR §1.85(c).

Applicants hereby authorize the Commissioner to charge the required surcharge of \$130, to Deposit Account No. 09-0089. A copy of this paper is enclosed for accounting purposes.

Applicants hereby authorize the charging of any fee required for the filing of the enclosed documents, even if different from that calculated above, or crediting of any overpayment, to Deposit Account No. 09-0089.

Respectfully submitted,
